

Dear European Jaycee Golf Senators, Jaycees and friends,

Hope you had wonderful Easter Holidays with friends and family.

This year started with the sudden passing away of our ESGC president Rudolf von Bachele. We will miss his vision and leadership, but will make sure to honor him in our 33th Championship program.

Last year Rudolf expressed his wish to start this year's ESGC Championship with a get together at the Waterloo Memorial site. We think there is no better place to start our theme of "a Historical weekend" and hope you will join us on Thursday.

Mont Garni is waiting for you on Friday and Saturday, where besides the regular Championship you have on Friday the opportunity to win the one and only Rudolf Trophy.
